FINDING GOD

Grades 1-5

The FINDING GOD program is an authentic and heartfelt way of faith formation in full conformity with the Catechism of the Catholic Church and rooted in the Jesuit spiritual tradition.

Every unit of FINDING GOD integrates a variety of learning styles including a dramatized audio scripture story, a guided reflection and recorded music.

The entire program speaks to children where they are in their faith development.

FINDING GOD is designed to help each child grow as Christians as they experience the depth and beauty of the Catholic faith.

GOD MADE THE WORLD

Age 4

The preschool program develops religious awareness in four-year-old children by capitalizing on their natural sensitivity and wonder. It is designed to draw preschoolers to know and love God by focusing on the world God has created. The children are filled with awe and come to realize not only the goodness, power and wisdom of God but God's love for them.

GOD LOVES US

Kindergarten

The GOD LOVES US program recognizes that young children have a readiness to learn about God. The program integrates Scripture and doctrine in each lesson to help children and their catechists relate the richness of our Catholic faith to their everyday lives.
