

March 25, 2011

Dear Faith Formation Parents,

Enclosed is your registration packet which is the kickoff for the registration period for the 2011-2012 school year. You should have received a postcard last month informing you of a change in our faith formation registration. This early registration will allow everyone to prepare for the upcoming year. It will allow for additional scheduling time and an understanding of the full need of volunteers. We will be able to line up teachers for every class, class sizes will be small and manageable, and scheduling of appropriate size rooms will be set prior to the first class in September.

Program fees will remain the same as last year if registration is received by May 15, 2011.

\$80 per student of registered parish members

\$100 per student of non-members

\$200 maximum family for registered parish members (Preschool – 8<sup>th</sup> grade)

**Program fees will increase after May 15.**

Please keep the payment for students in the preschool through eighth grade programs separate from the high school faith formation programs.

As you register your children for faith formation, please consider volunteering to share your faith with our parish's young people as a teacher. This will allow your child and all students here at Saint Bart's to grow in our Catholic faith. No experience necessary, just a love of your faith. We will provide training and ongoing support. If you are able to teach this upcoming school year you may deduct \$80 from your family's total cost for preschool through middle school programs.

We look forward to working with you as we combine our efforts in raising the children of Saint Bart's in the faith of Christ.

Yours in Christ,

Jim DeShane  
Director of Faith Formation

Kari Elsen  
Coordinator of Youth Ministry
